MATHS ACCOUNTS & ECO.

The batch for Class XI starts in April and June and XII starts in March and April. The XII batch starting in March gets over with it's syllabus by first week of November and April batch by first week of December. The XI batch starting in April gets over in December 2nd week and June batch gets over in January 2nd week. The classes are usually twice a week of 1.5 hrs duration for the batch starting in April and twice a week of 2 hrs duration for the batch starting in June. However in between extra classes are scheduled to finish the syllabus. Extra problem solving, remedial classes and tests are held on Sunday.

ALSO REGULAR AND CRASH COURSE AVAILABLE FOR CLASS XII ENGLISH & BUSINESS STUDIES

With the motto "Teaching is our religion and knowledge is our weapon", Keshav Agarwal started his teaching career in the year 1998.

As a knowledge worker, informing, educating and motivating the student community has been his constant endeavor. Drawing out the hidden potential in each student is his ultimate aspiration.

Keshav Agarwal
Director

OUR VISION

To provide the best education to the student community through innovative and effective learning methodologies, cultivation of practical skills and unflinching commitment to academic excellence (quality).

What Mr. Keshav Agarwal started as 5 students at inception, it grew to 100 students in four months. By 1999, Mr. Keshav Agarwal had 200+ Students for Class IX, X, XI and XII mathematics and produced excellent result with more than 70 distinctions. He then formed his team of other teachers for teaching subjects like Physics, Chemistry, Biology, Accounts, Economics, English, Social and Studies.

In a short span of 19 years, Mr. Agarwal has built up an enviable track record in the field of CBSE education. Buoyed by the increasing student demand, Mr. Agarwal has also introduced coaching programs for IIT entrance exam and produced result for IIT and AIEEE ENTRANCE EXAMS.

In 2011 his team of teachers surpassed All Records and it's student Nishtha Midha created History by scoring 100 in Physics, Chemistry and Maths.

In September 2017 Mr. Keshav Agarwal and his team started Exemplar Point Pvt Ltd to give his work a big shape. Exemplar Point was started to set learning examples for students through it's quality teaching. Exemplar point has team of experienced professionals having experience of over 15 years both for C.B.S.E (Science & Commerce) and also for entrance exams (Medical & IIT).

I believe in Aristotles famous line "We are what we repeatedly do. Excellence, therefore, is not an act but a habit".

OUR MISSION

⇒ To continue to endorse the tradition of providing best services to the student community

⇒ To build the position of leadership by providing world class education

⇒ To train minds to think and work strategically and operationally across the regional and national boundaries

⇒ To provide a stimulating work environment that supports personal growth.

WHY EXEMPLAR POINT

1. TEAM OF EXPERIENCED AND DEDICATED FACULTIES

Exemplar Point is privileged to have a dynamic team of dedicated, highly qualified, well-experienced and committed faculties who are delivering the best to the student community. Each member contributes positively and productively to the growth and development of the students.

2. EXHAUSTIVE STUDY MATERIAL

Exemplar Point study material is highly research based and updated by the expert team of faculties who are contributing regularly towards the designing and development of study material in such a way that it covers all the possible concepts(as per the latest pattern) with applications and make it a cake walk for students to understand.

3. PERSONALISED ATTENTION TO STUDENTS

Exemplar Point allows students to receive a high amount of personalized attention from faculties. All students are assessed to determine if they require anything extra (Backup & extra classes), in which case, the service is provided free of charge. Faculties are always on hand during classes to support the learning needs of each student.

4. REGULAR TEST ASSESSMENT

Exemplar Point believes that every student should take up subject tests regularly not as a formality but as an assessment tool which will help them to identify the non-performing areas.

To make tests more effective, we also have online tests in addition to subject wise tests.

Online Test : In order to have better understanding and application clarity online tests topic wise are held so that the performance as well as understanding of student can be gauged.

5. REMEDIAL CLASSES

Exemplar Point faculties do not restrict themselves to classroom teaching alone, by providing remedial classes to non-performing students in the respective subjects we give them an opportunity to build their confidence and thinking ability for the exam.

6. CAREER SESSION FOR STUDENTS AND PARENTS

Exemplar Point every year conducts Career session for both Parents and students to make them aware regarding the new career avenues and opportunity with latest market trends.

7. PARENT TEACHER MEETING

Student's success mainly depends on the co-ordination between faculties and parents which can only be possible by regular interaction. Exemplar Point organize PTM at regular interval to apprise them about their ward's progress.

8. SHORT MESSAGE SERVICE

EXEMPLAR POINT has online SMS service by the web name-EPOINT which help parents to receive all the important updates instantly for example: test marks, extra classes, absenteeism etc. (Kindly sign an NOC to avail this service)

9. COUNSELING SESSIONS

We conduct regular counselling sessions to assist students with matters that maybe preventing the successful completion of their studies for example: lack of focus / Concentration or not able to learn theory subjects. These sessions help students to identify the problem and take effective measures to perform better in their studies.

10. UNLIMITED INDIVIDUAL DOUBT SESSIONS

Exemplar Point offers unlimited individual doubt sessions to its students. As we firmly believe in that studying any subject requires hard work! No two student study the same way, and there is little doubt that what works for one student may not work for another. To rectify these problems student can take prior appointment and get the accurate answer of their problems.

11. AUDIO VISUAL LEARNING

We use ultramodern technology to make studies more interesting and enjoyable for students. As an integral teaching aid, using audio visual equipment, such as a projector, interactive board allows faculties to demonstrate and present the difficult subject content in the most tangible manner and make it simple to understand.

12. TEST REPORTS

We send regular reports of the tests conducted at Exemplar POINT to parents via SMS ,email and can be viewed on our website (www.exemplarpoint.com) which help them to keep a track of their ward's academic performance. We also call parents of Students who does not perform well in the test to offer them solution for improving their academic performance.

13. WEB FACILITY

Our Website (www.exemplarpoint.com) is well designed, structured, user friendly and easy to navigate and has all the links categorized under relevant heads/ sections facilitating different users to fetch the desired information quickly. It can be assessed with the help of individual login ID & password assigned to each student. Features of web include:

- ✓ Test Schedule
- ✓ Assignments
- ✓ Previous years papers
- ✓ Important information related to career
- ✓ College notifications
- ✓ Parents feedback
- ✓ Online Tests
- ✓ Marks record subject and topic wise

COURSES OFFERED FOR ENGINEERING ENTRANCE 2018, 2020

JEE / BITSAT / I.P / JAMIA

2 YEAR CLASSROOM PROGRAM 2020 For students moving to Class XI

This is one classroom program that has produced most number of top rankers.

The course is designed to give students moving to class XI a head start and strong foundation and get them ready to face the challenges of JEE with complete confidence. The concept and fundamentals are taught first at rudimentary level and gradually raised to the level of JEE (Mains & Advance). Complete coverage of CBSE syllabus is provided in a time bound manner so as to keep them ahead of their peers and competitors.

SCHOLARSHIP AND ADMISSION

Scholarship is awarded on the basis of class X result and on the basis of admission test. The syllabus for the test consists of MCQ based on Maths & Science of class IX, X and NTSE.

DURATION

The duration of the course is 2200 hrs. for 2 years & the class are conducted 4 to 5 days a week for 4 to 4.5 hrs. in a day.

1 YEAR CLASSROOM PROGRAM 2018-19 For XII Appeared / XII Pass students

This course is designed for student who have passed / appearing for XII Board Exam and are keen to focus and devote attention to JEE / BITSAT / I.P and are aiming at higher ranks. The course is designed to improve the basic fundamental and to provide strong foundation in all three subjects and raise the level to JEE (Mains & Advanced). Beside the regular tests and analysis the students are subjected to a rigorous & identical test series that will eliminate the errors they commit and improve their strike rate and ALL INDIA RANK.

SCHOLARSHIP AND ADMISSION

The scholarship is awarded on the basis of class XII result (for XII passed students) and admission test (for XII appearing students). The syllabus for admission test is based on Physics, Chemistry and Maths studied in class XI & XII. Students who have name in extended merit list of IIT are also considered for scholarship and are eligible for direct admission.

DURATION

The duration of the course is 1200 hrs. for 1 year & the class are conducted 4 days a week and 4.5 hrs. per day.

COURSES OFFERED FOR MEDICAL ENTRANCE 2018, 2020

NEET / AIIMS / STATE MEDICALS
